

Report  
On  
ECAM Book Group  
Jan/Feb 2024

In response to ECAM's Racial Justice group's request for Friends to consider work on being an anti-racist faith community, Disley LQM organised a Book group focusing on Helen Minnis's 2022 Swarthmore lecture, 'Perceiving the Temperature of the Water'.

17 Friends from 6 meetings signed up and the average number per session was 12. We were joined by our Local Development Worker, Hilary Topp.

There were 4 sessions on Zoom facilitated by 6 Friends from Disley.

The experience was stimulating and challenging. It was also enjoyable to meet Friends from other LMs and discuss matters of such importance together.

As a way of encouraging friendship and fellowship across ECAM, it worked!

There are requests to hold another Book group in the autumn.

Ann Lewis

Convenor.
