

## REPORT ON THE 2025 EAST CHESHIRE TABULAR STATEMENT.

We have again seen a drop in our overall membership in East Cheshire from 143 in 2024 to 139 in 2025.

2 memberships have been terminated as these Friends have not been seen for a very long time and all efforts to contact them have failed.

There have sadly been 5 deaths recorded in the minutes in 2025, Geoffrey Clifton, Howard Hilton, Leonora Dobson, Christine Moss and Angie Seddon who transferred for Manchester and Warrington Meeting and died very shortly afterwards.

We have also recorded the resignation of one Member, Linda Sharp.

Happily we have seen 2 friends apply for and be accepted in to Membership, Claire Wilson and Caz Davies and Ruth Brown transferred in to East Cheshire from Manchester and Warrington AM
