

Knitting to Stop the Arms Fair

Can you knit, crochet or sew?

We're looking for baby clothes:
mittens, booties, hats, etc.

For use in a creative action to highlight the contradiction between the sale of products for children and the sale of weapons that harm children.

Knitting to Stop the Arms Fair

Quaker Roots plans to highlight the contradiction between the sale of products for children and the sale of weapons that harm children.

We will give out baby clothes with messages, outside The Baby Show - this event is organised by Clarion who also organise the biennial DSEI arms fair in London.

The aim is to raise the awareness of sponsors, exhibitors and attenders of The Baby Show about Clarion's complicity in the arms trade in the hope it will encourage them to ask questions about how Clarion's role in the arms fair fits with their values.

If you are interested in making baby clothes (mittens, booties, hats, etc.), you can send them to the **Peace Hub, 41 Bull St, Birmingham B4 6AF**. You are welcome to use any suitable pattern – the idea is to provide a personal touch, so variety is good.

If you would like to join our witness at the Baby Show contact us at **hello@quaker-roots.org.uk**
